Program Facts

- A minimum of 120 hours must be completed for the degree. Eighty-four of these hours can be taken as an MCC student on the MCC campus. The remaining 36 hours will also be taken on the MCC campus, but will be UT-Arlington courses taught by UT-Arlington instructors.

- Students must be accepted to UT-Arlington before completing the Intent to Enroll application to the College of Social Work. Application to UT-Arlington can be completed online at www.uta.edu/admissions/ or call (817) 272-6287.

- All transcripts must be sent to UT-Arlington, including records of any coursework completed at MCC or with any other colleges and universities.

- All grades must be a C or above to transfer to UT-Arlington.

- Students may begin the UT-Arlington portion of this program in spring semesters only.

- Students must have a GPA of 2.25 to be admitted to UTA. Students with a GPA between 2.00 and 2.25 may be considered for admission on a space available basis.

- Students should be “core complete” at MCC and have completed DAAC 1317 and SOCW 2361 before they begin the UTA portion of the program. Students should consult with Annette Scott at MCC for guidance on when to apply to UTA, but clearance to register for UTA social work courses is at the discretion of the School of Social Work.

- December 1 is the deadline for applying to UTA for the following spring semester. Late applications may be accepted after the deadline. It is recommended that students complete the UTA application process by early fall prior to beginning UTA courses, especially since enrollment in this program may be limited.

Enrollment in this program may be limited by UT-Arlington.
